

BATESVILLE FARMERS MARKET

PRESENTING SPONSORS — \$1,000

Become a Presenting Sponsor of the Batesville Farmers Market and make a direct impact on local children, farmers, vendors, and our community. Presenting Sponsors will partner with the Batesville Farmers Market to provide \$5 in Market Bucks to local school-age children to spend with vendors at the market. This program introduces children to shopping local, encourages them to explore fresh and locally produced foods and products, and puts sponsorship dollars directly back into the hands of our farmers market vendors.

Your \$1,000 sponsorship will help:

- Provide \$5 Market Bucks to local children
- Support local farmers, producers, and small businesses
- Provide live music and entertainment at the market
- Support special market activities and events
- Promote and grow the Batesville Farmers Market

Presenting Sponsors will receive:

- Recognition as a Presenting Sponsor
- Business/organization recognition on market promotional materials
- Featured recognition on Batesville Farmers Market social media
- Recognition during sponsored market activities and events
- Opportunities for additional sponsor recognition throughout the market season

Your sponsorship creates a full circle of community support—investing in our children while keeping dollars local and supporting the farmers, growers, makers, and small businesses that make our market possible.

EVENT SPONSORS — \$250

Event Sponsors help support the continued success and growth of the Batesville Farmers Market. Sponsorship dollars help offset the costs associated with organizing, promoting, advertising, entertainment, special events, and other market activities throughout the season. Event Sponsors receive recognition through Batesville Farmers Market promotional materials, social media, and applicable market events based on sponsorship level. Every contribution helps us create a welcoming and vibrant farmers market while supporting local farmers, vendors, businesses, and our community.

SPONSORSHIP COMMITMENT

To help us plan and promote our upcoming market season, sponsorship commitments and payments are preferred prior to the start of the market season. Thank you for investing in the Batesville Farmers Market and helping us grow a stronger local community.
